Bad- Elster, 1/8 210  
Villa Parott

My dear Kathleen;

received your charming  
letter from the "Hill House".

Elster is a nice little place,  
more sympathetic as Beynhausen  
but very noisy; so much  
young people, so much

carriages and Autos in my  
Street, unfortunately the princi-  
pal road. - The weather  
as bad as it can be; I had  
not two days without raining.  
I am glad to know that You  
enjoy Yourself in the country  
having still time enough

for practice. - All my mornings  
are taken by the cure;  
medical Gymnastic; Mass-  
leader; 1-2 classes of the  
local Mineralwater; In the  
afternoon I sleep, and later  
have my walk; You see,  
a complete rest. -

I will finish my cure on the  
15-16 August and have a Kachkur  
somewhere in Bavaria, in the  
mountains. - Let me know, please,  
after your concert in Scheeringen  
a word. - Miss Margery wrote  
me about her success - very happy!  
Mrs. Stein send her best love, as  
do I to you and Mother with many  
Respects. -
